RE: PETITION TO WITHDRAW HOLDING OF ABANDONMENT BASED ON FAILURE TO RECEIVE OFFICE ACTION

Application No.: 10004265

Patent No.: 6920560

Attorney Docket No.: WALPT01C1

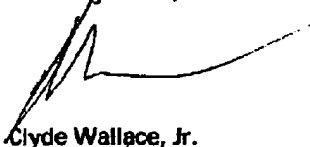

Dear Sir or Madame:

On June 14, 2005 a notice was sent out by the USPTO informing me of a discrepancy in the issuance fee of \$35 for the above patent. This notice was mailed to 5412 Savoy Court instead of the correct address of 5241 Savoy Court. Because of the incorrect address, the notice was never received by me. I was not aware of this error until yesterday (December 9, 2008). This patent was however issued and the maintenance fee is current. According to USPTO this patent is open.

Due to the non-receipt of this notice because of the error in the address, please withdraw holding of abandonment and accept the balance currently due of \$90. This amount was calculated by the Petition Office by Christina on December 10, 2008. She informed me the amount is calculated as follows: The original fee paid by me on December 9, 2004 of \$665 and the current Patent Issue Fee of \$755. The difference is \$90. I am faxing this Petition along with Form PTO-2038 (Credit Card Payment Form) to submit the payment in full to 571-273-8300.

Thank you very much and I really appreciate your assistance in clearing up this matter as soon as possible. Happy Holidays!

Sincerely Yours,

Clyde Wallace, Jr.
